Parents & Partnership – FEB07

G'day! This may be your first CCECYOUTH Parents & Partnership Newsletter for one of the following reasons: 1) you're new to CCEC; 2) you're eldest child has just gone into year 7; 3) you or your teenager came to summerfest. Welcome! Whether this is your first newsletter or ninth – we hope that it finds you well.

For Parents...

summerfest – We kicked off 2007 in January with summerfest. There were over 200 teenagers who joined us for Xtreme Teenz & eleven50. It was lots of fun!

ccecyouth massive – This term we have been having year 7-9s and year 10-12s combined on a Friday night. We spend some time eating dinner together, singing some songs together and then we split up into juniors and seniors for games and a Bible talk. This is a term-long trial – we'd love to hear any of your feedback on the format.

g-teams – Probably the best thing that we do each week at youth group is meet in smaller groups. These are called G-TEAMS. The G stands for GROWTH and the aim is for teenagers to work as a team to help each other grow. As youth group gets bigger we need to keep getting smaller as well. In order to get your teenager connected, make sure they attend a G-TEAM. Year 10-12 G-TEAMS meet at various times during the week. Year 7-9 G-TEAMS meet during church (either 830 or 1030) on a Sunday morning. Contact us for more information.

phat – is our year 7-12 camp on 11-15th April. We want as many teenagers as possible to come on PHAT. It's everyone's highlight of the year. If money is a problem speak to Dave to work out how to get your teenager(s) on camp.

breaking news – each week we have a breaking news email sent out. If you want to be added to the list send an email to ccecyouth@gmail.com We also have a brand new website – check out the "FOR PARENTS" section.
